LA JOLLA - SAN JOSE DEL CABO

Casa de La Jolla is a rare find in the gated community of La Jolla, this six-bedroom residence designed by Victor Cauduro, is located on a cul-de-sac on Calle Buena Vista.

Built on a 0.70-acre lot, this estate offers 10,760 square feet of indoor and outdoor living space. Appreciate the essence of Mexico in this home surrounded by lush and mature gardens throughout the property. Savor the panoramic ocean views from Punta Gorda to Palmilla from most rooms. Indoor and outdoor amenities include gym, sauna, steam room, wine cellar, pool, spa, fire-pit, and herb garden. La Jolla is only a 5 minutes' drive to downtown San Jose del Cabo, Palmilla Beach and 15 minutes to San Jose del Cabo International Airport.

Follow the trickling water feature through the entrance fountain, handcrafted stone wall, large windows, and leafy Areca palms. The entry door opens to traditional terracotta flooring bathed with natural light. The split-level entry features a staircase leading to the main floor and upper level left and right wings, of the home. The first floor offers an extensive double height living room with windows from floor-to-ceiling - perfect to showcase the new owner's art collection. The elevated ocean view captures Palmilla Point to Punta Gorda and beyond to the Sea of Cortez.
