ABOUT CASA BLANCA

Casa Blanca is an impressive ocean-view residence in the desirable neighborhood of Rancho Cerro Colorado on the 'Golden Corridor' of Los Cabos. This home is 620 square feet (6,673 square meters) with ocean views. The one-quarter-acre home site embraces views of the ocean and the red mountain of Cabo Colorado. It is furnished and reflects classic Mexican architecture with a cupola in the dining room and vaulted beamed ceilings.

The main level features a kitchen, with an island living and dining room, media room, primary bedroom, and guest bedroom suite. There is a sprawling outdoor terrace and pool area with a fire pit, pergola, two pool-side showers, and an infinity-edge pool.
